This event is completely free of charge. If you are interested in building and living in ecovillages, housing co-ops, landtrusts, affordable student housing, tent cities, educational housing, hostels or any type of shared housing group, please join us at this event! You are encouraged to bring your ideas and proposals regarding building a new community. We also greatly welcome those who are just curious or interested in living in a community and planning the creation of a community. Thank you.

We will also have a special presentation by **Evan Schoepke** and

Michael Kelly from the Ecocity group regarding building a new Ecocity. Following this meeting, from **7pm-8pm**, we will have an **Emergency Solidarity** and Support group meeting for **Camp Quixote, Olympia's Tent City** with a presentation by **Camp Quixote** members.

If you are in an activist or community group and would like to make a 10 minute presentation just show up (and give one starting at 6pm though the event starts at 5:15pm). We have the room reserved until 8pm.

Families and children are always very welcome. It is a Finger-food (snack food) Potluck style meeting.

Bring fruits (grapes, tangerines, oranges, etc), vegetables (cherry tomatoes, etc.,) if you have no idea what to bring. Cookies, chips and hummus are always popular and disappear quickly. ☺

Sign up for our low-volume, announcement-only email list found on our website. All meeting places are wheelchair accessible and are free of charge.

Everyone is welcome.
